Rejection-free engaging posts for your target audience

I see you're in _____. Was that something you pursued or fell into? Do you love what you do?	Have you thought about your long term plan? Retirement?	If money wasn't a factor, what would you be doing right now?	When was the last time you took a real long vacation? Spent more time with family?	I came across this comment/post and I couldn't agree more with your statement... right on!	You've got my vote on that, wish more people could agree on that point.	Hey, I noticed we've been friends on Facebook for a while but we haven't chatted much. What have you been up to?	Can I say you are very good at what you do? Have you ever thought about being your own entrepreneur?	What are you currently doing for work? Or what do you do for a living?	WOW!! I saw that you went on a vacation. The pictures that you posted on Facebook were epic! You guys looked like you had a lot of fun.
Just out of curiosity... what do you think determines success? Hard work or luck?	Did you go to school to do what you're currently doing? Do you love it? What do you love most about what you do?	What are you willing to sacrifice if you could get out of your financial struggles? Student loan debts? Credit card debt? Etc.	Are you getting paid to text? Can I show you how you can easily make money from the comfort of your cell phone?	Hey, I noticed, scrolling here on Facebook, that you and I have something in common...hope we can connect, continue to be blessed.	If I can show you an opportunity right from the comfort of your home, on your cell phone, would you be open if it didn't interfere with what you're already doing?	Would you be open to making extra income if it means it can pay you more money than what you're currently doing?	Hey I noticed you're in the ____ area. I started a side project there and I'm looking for a few people to help me with it to make a little extra money...if you know anybody let me know.	Are you getting paid to be on Facebook? What if I showed you how you can make money using Facebook, would you be open?	Are you getting paid to be on Instagram? What if I showed you how you can make money using Instagram, would you be open?
In a years' time, how many vacations would you say you've taken with the family? Would you be open to learn how I've been able to go on many vacations work less, play more?	I help people with their health and/or finances; do you fall into one of these categories?	Where are you from? Oh wow... did you enjoy growing up there?	By the way, do you know anyone looking for work? Our company is paying big to the right candidates. So if you know anyone let me know, ok?	When it comes to projects do you like working in groups or do you like working alone?	What are you most passionate about? If I can show you how to get out of what you are doing and make more money to do what you are most passionate about would you be open?	Where do you see yourself in one year? Where do you see yourself in 5 years? 10 years?	I noticed you just moved... If you're looking for part-time work until you get situated with your new career I can help. Would you like some information?	What is your dream profession? What have you always wanted to do that you never got around to doing or had the chance to fulfill it.	Would you be open to a side project making extra income if it doesn't interfere with what you're currently doing?
Boy, with your busy schedule how do you wind down from a busy day or relieve that stress? Or do you even struggle with that? Most people struggle with that.	Just curious, do you enjoy relaxing or do you always need something to do? Do you enjoy free time or do you like to keep busy?	Are you ever open to other careers outside of what you currently do? People who came from your line of work are making a killing over here.	What challenging thing are you working through these days and how are you getting through it? Just curious if I'm the only one going through it.	Hey you might think this is forward... I REALLY, REALLY, REALLY... I DON'T KNOW... SHOOT, NEVER MIND...	When you're at a party, do you tend to gravitate to people that's the life of the party or do people gravitate to you?	What would you wear to work if you could wear whatever you wanted with no judgments? Shoot, I wear pajamas to work every day.	I noticed we have mutual friends and I took advantage of the Facebook friends suggestion and added you. I'm genuinely looking to connect with people.	Do you feel you are a risk taker or are you scared to make a money move?	What is the one place you are dying to go to and want so bad to accomplish before you leave this earth?
Do you enjoy going on vacations? What is your dream vacation?	Boy you've been with that company for a very long time. Are you planning to retire eventually? Or is that just not in the plans?	What are your top priorities in life? Put them in the order that you see it. First one being the most important to you.	Do you like online shopping? What's your favorite online shopping? And are you guilty of just splurging because your attitude is you only live once?	Are you willing to invest in things that can change your life from a health standpoint or for financial gains?	Just curious do you have an Android or do you have an iPhone? And why? Need help understanding the difference.	Oh my gosh, I have something I need to tell you and you need to get back with me as soon as possible.	If you could leave behind one thing on this planet what would that legacy be?	How often do you plan your future? Does it matter to you?	Do you read books? What is your favorite book and what do you most like to read? What genre is your go-to?

Hey, you know me and I am very skeptical about stuff and because I really appreciate and value your opinion, would you check this out and give me your honest feedback?	I'm very big about supporting small businesses. We both offer something that isn't a conflict of interest. So I'll send folks your way if you'll do the same. We can help each other.	Curious, when you file taxes are you paying the government or getting money back? We've been able to educate folks on how to get money back. Would you like to find how we're doing it?	Want to learn how a 1099 allowed me to bring home what a Full-time McDonald employee makes in a year. You may be leaving money on the table!	When it comes to reading books, do you prefer to read them and collect the books or do you prefer an audio version of the book where you can just listen to it?	Even after this whole pandemic, what is the best thing that has happened to you this year?	What's some of your biggest struggles that you are realizing that you are in need of help immediately?	Do you feel good about the position you're in with leaving what you have as a legacy to your children?	Do you enjoy going out and getting active or are you a home body and just prefer to stay home, watch a movie, game and really not much for social interaction?	Would you rather have an easy job working for someone else but never retiring or be your own boss but work incredibly hard at first and retire early enjoying life?
Do you go to college? If so which one and what are you going to school for?	What job do you know that you know, that you would be terrible at and that you would never do?	Are you finding that you are bored at times? What's your favorite way to waste time?	Describe what a perfect day would be to you in your world?	Would you rather have an amazing car or an amazing house?	Curious, do you like to plan or are you a "go with the flow" kind of person?	What is something that your friends would consider 'so you' but you don't think so?	What could you do with two million dollars to impact the most amount of people? And Why?	What three words best describe who you are?	What is your biggest pet peeve? And do you think it affects your life negatively or do you feel it makes you a better person?
What are you looking forward to in the future?	What are your 3 best apps on your phone? And what social media platform do you spend most of your time?	Hey ____ I've got some really exciting stuff going on in my life that I am extremely excited about and I really want to share it with you. Do you have time?	Who and what inspires you to do better?	If I sent you some information would you take a look at something if it could change your life?	Do you read personal development? Who is your favorite motivational guru or speaker?	Are you big on goal setting? Why or why not?	When you were young, what did you aspire to be? What was your dream job?	When communicating nowadays, do you like to talk on the phone or do you prefer texting?	You seem very knowledgeable about health. You're probably the kind of person who would have a lazy Susan of health products, am I right? What do you do for a living?
What's the first thing you do in the morning? Do you have a daily morning routine?	What are your thoughts about becoming vegan or going on a keto diet?	I noticed you were talking about _____. This product I'm taking helps from a cellular level, reducing the incidence of inflammation. Let me send you samples so you can try it.	We all have some sort of an addiction, what do you think yours is?	Are you one to be conscious about your health or do you feel you can do a better job of controlling it? I know I use to have trouble with it.	(Hear a person out about their situation and I promise they will either fall under health or finances...Then ask the question...) Can I share my heart with you?	You may not know me very well, but you know me enough to know my heart and intentions, I have some information that just might help you... Can I share my heart with you?	If you could suggest one flavor/product you highly recommend... why and what would it be?	When it comes to your health do you like to take pills or is taking pills a problem for you?	Hey, I help folks get their health right from a cellular level but they also ask if I know a trainer. So thought we could connect so I can have someone to refer them to, is that ok?
How often do you exercise? Do you like exercising or is it a struggle? Would you like to incorporate that to your life if it meant another way that is easier that worked?	Be honest, I know I've been guilty of not. Do you think that you're getting all the major vitamins, minerals and nutrition everyday from the foods you eat?	Did you know that our cells are depleting everyday and inflammation is at an all time high? It's a huge problem in America, just curious what you're doing about it?	Tell me what would you rate your state of health right now from a level of 1-10, 1 being bad?	How much sleep do you need to function? Do you usually get more or less than that?	What food do you know you shouldn't eat but can't help yourself?	What do you do to improve your mood when you are in a bad mood?	What is your all time favorite beverage?	Do you prefer eating out or dining in?	What's the last thing you do before you go to bed or sleep?
